ARTICLE I

NAME

The name of this organization shall be the Wisconsin Compensation Rating Bureau, hereinafter referred to as the "Bureau."

ARTICLE II

OBJECTS

The Bureau shall be a non-profit, unincorporated independent association of insurers who are authorized to transact Workers Compensation Insurance in the State of Wisconsin and, in conformity with the, law shall:

1. Establish, maintain and administer policy and related forms, rules, regulations, classifications, rates and rating plans to govern the writing and servicing, by its members, of Workers Compensation and Employers' Liability insurance in the State of Wisconsin;
2. Co-operate with other Rating Organizations, Advisory Organizations, and insurers in the development and application of the above materials;
3. Define, secure and analyze the statistical and other data required in order to accomplish the foregoing;
4. Inspect and classify risks;
5. Conduct test audits upon request, or as deemed necessary by WCRB staff, to verify accuracy of members' policy auditing procedures;
6. Provide means whereby any person aggrieved by the application of its rating system may be heard;
7. For and on behalf of its members, make such filings with any public authority as may be required by law;
8. Afford facilities for the insurance of rejected Workers Compensation risks in the Wisconsin Workers Compensation Insurance Pool; and
9. Take action as necessary or appropriate for the accomplishment of the stated objectives.

ARTICLE III
OFFICE

The office of the Bureau shall be located in the State of Wisconsin.

ARTICLE IV
MEMBERS

1. Every insurer authorized to write Workers Compensation Insurance in the State of Wisconsin shall become a member, except contractor's class mutual companies where the premiums are fixed, assessed, and collected on the basis of the contract price of construction, building or repairing.
2. Each member of the Bureau shall, through a duly authorized official, execute and file with the Bureau a copy of these By-laws. Acceptance of these By-laws shall be deemed an agreement to be a member of the Bureau.
3. In the event that a member's certificate to transact Workers Compensation Insurance in the State of Wisconsin is revoked or surrendered, the date of revocation and surrender will be the date that the membership with the Bureau is terminated. Revocation of certificate to transact Workers Compensation Insurance by the Office of the Commissioner of Insurance, either voluntarily or involuntarily, shall terminate ongoing rights of the member.
4. In the event of insolvency, where the Bureau receives information that one of the following conditions is determined to exist, the Bureau shall, to the best of its ability, calculate and transact credits or deficits in the member's assessments and reapportionments as of the date of the insolvency. For purposes of these By-Laws, insolvency, subject to confirmation of the Bureau is defined as follows:
 - a) When the assets of a member have been placed under the control of a receiver; or
 - b) When the member has been placed into rehabilitation by the appropriate regulatory authority in the state in which the member is domiciled, or, if appropriate, doing business; or

- c) When a member is subject to a voluntary or involuntary bankruptcy petition under the United States Bankruptcy Code which petition is not dismissed within sixty (60) days of filing; and
 - d) That as a result of either subparagraph a, b or c, the operations of the member in Wisconsin have ceased and the assets available to pay assessments will no longer be available.
 - e) Insolvency does not include in its definition those members who are solvent but are in runoff or have determined to cease writing new Workers Compensation business in the State of Wisconsin.
5. When a member of the Bureau voluntarily elects to withdraw from the Bureau, that member will be requested to pay all assessments, and will receive reimbursement of all disbursements from the Bureau as of the date of the voluntary withdrawal from membership. Voluntary withdrawal from membership in the Bureau requires the member to notify the Office of the Commissioner of Insurance for the State of Wisconsin of its intent to withdraw from the Wisconsin marketplace.
6. Termination of Bureau membership does not relieve the member of previous rights to disbursements or obligations for assessments declared during their membership term.

ARTICLE V
FEES, ASSESSMENTS AND EXPENSES

1. The Bureau shall be maintained financially by the following fees, charges and assessments:
- a) Each member shall pay an initial fee of \$500 on becoming a member of the Bureau. No member shall be entitled to any refund of any fees by reason of its ceasing to be a member of the Bureau.
 - b) Each member shall pay to the Bureau, as and when demanded, the charges levied against it for any special service.
 - c) Each member shall pay to the Bureau, as and when demanded, any charges, fees or fines authorized by the Governing Board for failure to comply with instructions to amend a policy,

promptly file unit statistical reports and financial calls, or provide other requested data.

- d) The balance of the expenses of the Bureau shall be assessed to members in proportion to their voluntary direct written Workers Compensation Insurance premium in the State of Wisconsin during the current calendar year. Since the voluntary direct written premium for the current calendar year does not become available until the following calendar year, the voluntary direct written premium of the preceding calendar year shall be used as a temporary basis for apportionment of assessments. As soon as practicable after the voluntary direct written premium for the current calendar year shall become available, a reapportionment of all such assessments shall be made upon the basis thereof, and an adjustment of any difference shall be made with each member. If for any reason the foregoing basis should not be attainable or is in dispute, the Governing Board shall make an equitable rule for arriving at the basis of assessment in such case. All assessments shall be levied by the Governing Board and they shall be collected by the Bureau. The total amount retained of all funds received, for any one year, shall be only sufficient to meet expenses of the Bureau incurred for that year, and in the event of an excess remaining, such excess shall be credited pro rata to the respective accounts of members. No member assessment shall be less than \$500 per calendar year.

2. The fiscal year of the Bureau shall commence on the 1st of January.

Such indemnification shall be provided whether or not such person or insurer is a member or is holding office or is employed at the time of such action, suit or proceeding and whether or not any such liability is incurred prior to the adoption of this Article. Such indemnification shall not be exclusive of other rights such person or insurer may have and shall pass to the successors, heirs, executors or administrators of such person or insurer. The termination of any such civil or criminal action, suit or proceeding by judgment, settlement, conviction or upon a plea of nolo contendere, or its equivalent, shall not in itself create a presumption that any such person or insurer was liable by reason of willful misconduct or that they or it had reasonable cause to believe that their or its conduct was unlawful. If any such action, suit or proceeding is compromised, it must be with the approval of the Governing Board of the Bureau.
2. The Bureau shall not be liable for indemnification of any person or insurer who is made party to a legal action, lawsuit, or proceeding, in which they or it has been adjudged to be liable by reason of willful misconduct in the performance of their or its duties or obligations to the Bureau, and with respect to any criminal actions or proceedings, except when such person or insurer had reasonable cause to believe that his or its conduct was lawful.
3. In each instance in which a question of indemnification arises, entitlement thereto, pursuant to the conditions set forth in Section 1 of this Article, shall be determined by the Governing Board which shall also determine the time and manner of payment of such indemnification; provided, however, that a person or insurer who or which had been wholly successful, on the merits or otherwise, in the

defense of a civil or criminal action, suit or proceeding of the character described in Section 1 of this Article shall be entitled to indemnification as authorized in such section. Nothing herein shall be deemed to bind a person or insurer who or which the Governing Board has determined not to be entitled to indemnification, or to preclude such person or insurer from asserting the right to such indemnification by legal proceedings. Such indemnification as is herein provided shall be apportioned among all members and subscribers, including any named in any such action, suit or proceeding pursuant to Article V of the By-Laws of the Bureau.

ARTICLE XV
EFFECTIVE DATE

These By-Laws shall become effective when adopted by the members and approved by the Commissioner of Insurance.

Notice of such proposed amendment or repeal shall be mailed to all members not less than twenty (20) days prior to the meeting at which said amendment or repeal is to be considered.
