About Us

The Wisconsin Compensation Rating Bureau (WCRB) is a non-profit statutorily appointed organization charged with the responsibility of developing Workers' Compensation rates, managing, reviewing incoming policy and financial data, and issuing notices and fines. The WCRB also manages the Wisconsin's Workers Compensation Insurance Pool.

This Role

If you are looking for a company that values your career, where problems are good, teamwork is essential and the benefits are outstanding, then the WCRB is for you! The WCRB has an immediate opening for the position of Policy Analyst. In this position, a dedicated qualified candidate will electronically review and evaluate policy data to assure accuracy and compliance related to Workers' Compensation insurance policies. Policy Analysts are required to be extremely detail oriented to verify data accuracy, find irregularities, problem-solve, ensure regulatory compliance, and provide excellent customer service. This position requires a high school diploma or equivalent; associate degree and/or background in insurance is a plus.

This is a full-time, hybrid position, working remotely most of the time, with mandatory reporting to the office every other Wednesday. Salary commensurate with experience. Benefits include paid time off, paid holidays, health with HSA, dental, vision, pension, 401k, paid training, and tuition reimbursement.

If you have an interest in this role, please send a cover letter, resume' and contact information to human.resources@wcrb.org for consideration.

Other Roles

Impending retirements are causing the WCRB to search for qualified candidates in a variety of positions. If you have workers' compensation data reporting and or technical experience, please submit a cover letter and resume' to the e-mail address listed above.
