RE: Online Assigned Risk Applications

The Wisconsin Compensation Rating Bureau (WCRB) is pleased to announce the development and release of an online application for coverage in the Wisconsin Workers Compensation Insurance Pool (WWCIP). Effective May 19, 2008, Online Assigned Risk (OAR) is available to all employers and producers seeking to place workers compensation coverage in the Pool.

Developed as a supplement to the current hard copy application, OAR allows applicants to submit an application for coverage and remit payment electronically. Please also be advised that OAR is a member product.

Refer any questions regarding OAR to oar@wcrb.org.
