**CIRCULAR LETTER 3067—SEPTEMBER 3, 2010**

TO: Members of the Bureau  
FROM Donna Knepper  
RE: October 1, 2010 Rate Revision Amendment  
Classification Codes 7309 and 7855

Pursuant to ch 626, Wis. Stats., the State of Wisconsin, Office of the Commissioner of Insurance has approved a revision to the rates for codes 7309 - Stevedoring-Over-All Boats; All Work On And Between Shipboard and Stringpiece and 7855 - Railroad Construction Laying or Relaying of Tracks or Maintenance of Way by Contractor – No Work on Elevated Railroads & Drivers.

In responding to an inquiry on the codes, WCRB staff identified two errors in the rate filing involving the rates for two classification codes. Further investigation identified an error in the formula used in the development of the rates for codes 7309 and 7855. The rates for codes 7309 and 7855 are corrected as follows:

<b>CODE</b>	<b>FILED RATE</b>	<b>CORRECTED RATE</b>
7309	\$49.13	\$48.89
7855	\$6.29	\$10.95

This correction is to be effective October 1, 2010, applicable to new and renewal business.
