GENERAL CIRCULAR LETTER 582—OCTOBER 31, 2011

To: All Holders of *Workers Compensation Data Specifications Manual*

In August 2011 the WCIO's EDI Committee met to review and discuss proposed changes to the ***WCIO Workers Compensation Data Specifications Manual*** and other products and tools found on the WCIO Web site.

An updated version of the WCIO products is now available on the WCIO Web site at www.wcio.org. Access to each of the products can be found by clicking on the individual product links on the left side of the home page under "Documents - WCIO Information".

The updated pages for ***WCIO Workers Compensation Data Specifications Manual***, dated October 4, 2011, reflect the revisions approved by the committee and the WCIO. Please review the "Summary of Changes" document for a complete explanation of all changes that have been made. Since this is a "revision," all additions, changes, and deletions will be identified with markings in the margins and underlined in the text.

Contact the appropriate individual insurance organization/jurisdiction concerning any questions you have regarding the additions, deletions, and/or changes, and any applicable effective dates.

Sincerely,

WCIO EDI Committee
