GENERAL CIRCULAR LETTER 615—FEBRUARY 6, 2014

TO: Members of the Bureau

RE: Retirement of Christine Siekierski

It is with mixed emotions that I announce the retirement of Christine Siekierski, Vice President of Research and Communication. After 43 years of dedicated service, Christine retired from the WCRB on February 1, 2014.

Over the years, Christine held many roles within the WCRB. Previous to her appointment as Vice President of Research and Communication, Christine served as the Vice President of Operations. As the Vice President of Operations, Christine served as Chair of the Workers Compensation Insurance Organizations (WCIO) EDI Committee, Chair of the IAIABC Proof of Coverage Committee and member of the IAIABC EDI Council. In addition, Christine served as President of the IDMA, member of the Board of Directors, and Vice President and Chair of the IDMA Education Committee. As a member of IDMA, Ms. Siekierski received the 2013 Gary Knoble Service Award and was awarded the Fellow of Insurance Data Management designation.

During Christine's tenure, she provided the strategic oversight and extraordinary leadership that has given the WCRB the distinction of being one of the most respected DCO's in the country. Christine's leadership, loyalty to the WCRB and the Workers' Compensation Insurance Industry, and tireless energy will be missed.

Although we will all miss Christine, she has worked hard all of her career and has earned the opportunity to enjoy more time with family and friends.

Please join me in wishing Christine all the best in her retirement.

Sincerely,
Bernard Rosauer
President
