GENERAL CIRCULAR LETTER 660 — November 16, 2021

It is with great sadness that the WCRB announces the recent passing of Melanie Lindseth, the Bureau's Technical Team Specialist. Melanie joined the WCRB on May 5, 1980 and enjoyed a long, distinguished career in assisting policyholders, producers and carriers in matters related to experience rating, ownership rulings and many other areas of expertise.

Melanie's presence and vast knowledge will be dearly missed by the WCRB, as well as by her friends throughout the industry.

Bernie Rosauer, President

Tad Cleveland, Senior Vice President of Technical Services
