## **CIRCULAR LETTER 3247—JANUARY 12, 2023**

TO: Members of the Bureau

RE: Data Element and Transaction Code Consolidation

Attention: Policy Data Reporting Personnel

The WCRB has rescinded Circular Letter 3246 dated October 04, 2022, which announced changes to the accepted data reporting standards. On January 10, 2023, The Workers Compensation Insurance Organization (WCIO) announced the rollback of the Replacement Transaction Sequence Number implementation.

The WCRB will continue to accept change transactions using transaction codes 08, 10, and 14, although carriers can choose to report change transactions using only code 14 if they prefer.
