Status: **Active**

- **TAXICAB CO.-ALL OTHER EMPLOYEES & DRIVERS** - The entire payroll of all taxicab drivers shall be included in calculating the premium. This amount is subject to pro rata adjustment only when a vehicle is owned by the insured for a portion of the policy period. If the owner also leases or rents such vehicles, an additional premium shall be calculated on the basis of the amount per vehicle per policy year for leased or rented vehicles shown in the state rate pages under Miscellaneous Values. These amounts are in consideration of gratuities, multiple shifts, downtime, vacation time or other periods during which the vehicle is not in operation. For basis of premium, for taxicab rentals wherein accurate records are obtainable for hours of use of such cab the state minimum wage shall apply (state minimum wage x hours worked = payroll). Such minimum wage shall be adjusted to be flexible to equal the increases and/or decreases in minimum wages as published in the State of Wisconsin.
