#### **GENERAL INFORMATION PAGE NOTES**

1. Insurance carriers may show a renewal agreement statement on the standard Information Page when a policy is renewed. The carrier must show "Renewal Agreement" or a like heading along with the title "Information Page" if a renewal agreement statement is shown on the Information Page.
2. Insurance carriers showing a renewal agreement statement on the Information Page or entering into a renewal agreement not shown on the Information Page may list any or all endorsements in Item 3.D., elsewhere on the Information Page or in an Information Page Schedule. A carrier is not required to attach such listed endorsements to the Information Page and Policy if the endorsements have already been provided to the insured by that carrier.
3. These General Information Page Notes do not affect the standard Information Page entry requirements set forth in the Information Page Notes.
